Hope you're well? My name is Jason Kavanagh and I'm your Student Union President for the year to come. This is my first year on the union, having been studying Marketing for the past 5 years. If you see me around don't be afraid to say hello and stop me for a chat. Pop over to the Student Union for a game of pool, to watch a DVD or just to chill. My doors always open and I'm here to help & remember no problems too big or small. We've been in all summer preparing for the year ahead and have planned a huge Fresher's Week to kick it all off! We have a big surprise, something that we've never done before! This will be the one of the best parts of your college experience. Enjoy the rest of your summer and I look forward to meeting you all in September
