This programme aims provide a comprehensive and detailed level of knowledge and skills in a range of business areas. Maximum exemptions from Professional Accountancy and Taxation bodies may be obtained by the graduates of this programme should they wish to pursue a professional qualification.

Entry Requirements

NQL Level 7 or equivalent in Accounting qualification.

All applicants must have competence in spoken and written English.

Course Timetable

The course runs 3 evenings a week (6-10pm) over 2 semesters

Who can apply

This course is open to all eligible students

Course Summary

This course will provide the graduate with:

- a strategic view of the finance function integrating strategy management, H.R and Industrial relations

- an in-depth appreciation of the regulatory environment
- advanced practical application skills in information systems
- specialised knowledge in advanced financial reporting, audit practice, business strategy and tax compliance and planning.

Assessment includes individual and group projects, presentations, computer lab assessments, in class assessments and end of semester examinations.

The programme is designed to enhance both technical and practical skills as well as improve personal and professional communication skills.

Career Opportunities

On successful completion of the FOUR year degree programme, the graduate will be well equipped to choose from a number of career options. Potential employers range from professional accountancy practices, industry, financial services and the public service in both a national and international setting.

Graduates pursuing accounting or taxation careers are granted SUBSTANTIAL EXEMPTIONS from the examinations of the following professional bodies: ACCA; CPA; CIMA; IIPA; ICSA; and ITI.
