Username: **x12345678@eng.stu.it-tallaght.ie**

Password: **same as pc / moodle / email login**

School of Science and Computing

Username: **x12345678@computing.stu.it-tallaght.ie**

Password: **same as pc / moodle / email login.**

Staff

Username: **stafflogin@stf.it-tallaght.ie**

Password: **same as email and pc login**

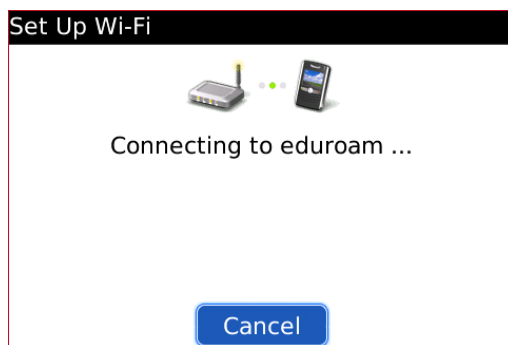

8. Click '*CA certificate*' and select the certificate "**Comodo AddTrust External CA.**
9. Click '*Inner link security*' and select '**EAP-MS-CHAP v2**'
10. Select “ **Disable Server Certificate Validation**”

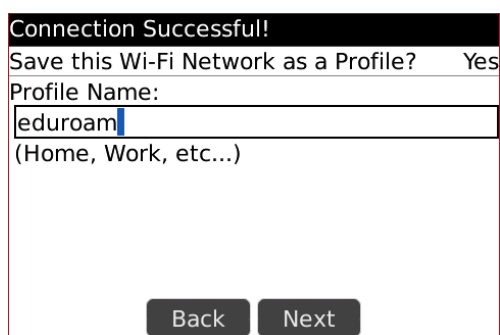

The screenshot shows the 'Wi-Fi Security' configuration screen. At the top, the title 'Wi-Fi Security' is displayed. Below it, the 'Security Type' is set to 'PEAP'. The 'User name' field contains 'x00046034@stu.it-tallaght.ie' and the 'User password' field is masked with asterisks. The 'CA certificate' dropdown menu is open, showing 'Comodo AddTrust External CA...' as the selected option. The 'Inner link security' dropdown menu is also open, showing 'EAP-MS-CHAP v2' as the selected option. Below these settings, the 'Server subject' and 'Server SAN' fields are visible. A checkbox labeled 'Disable Server Certificate Validation' is checked. At the bottom of the screen, there are three buttons: 'Back', 'Connect', and 'Save'.

10. Click '*Connect*'

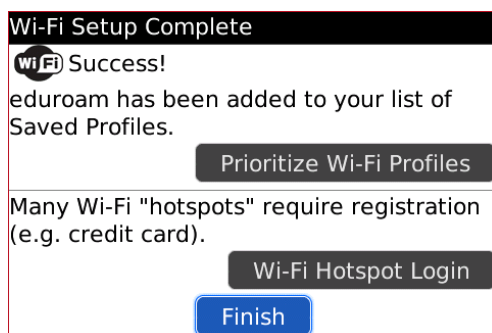

11. Wait a few moments

12. Choose a Profile name '*eduroam*'

13. Click '*Finish*'

14. You are now connected! Note your profile name appears top centre

This process does not need to be repeated, once setup.
