

Student affirmation of Academic Integrity for assessment in TU Dublin Programmes

Each student is responsible for knowing and abiding by TU Dublin Academic Regulations and Policies¹. Any student in breach of these regulation/policies will be subject to action in accordance with the University's procedures for breaches of assessment regulations. Some guidelines towards compliance with Academic Integrity are outlined overleaf.

By signing this form (or by choosing 'Accept' below if in electronic format), I indicate that I understand and that I agree to abide by the University Regulations and Policies covering Academic Integrity¹. Therefore, I declare that any individual work being submitted for assessment is entirely the product my own effort. For all group assignments, I accept that each member of the group is responsible for the academic integrity of the entire submission. I will retain a copy of this agreement for future reference.

Guidelines towards Student Compliance with Academic Integrity

These guidelines should be read in conjunction with the Academic Policy and Regulations applying to each programme and which are provided for in the Student Handbook. Students may need to consult the coordinator or chair of the programme.

All students are expected to complete their courses/programmes in compliance with University regulations. No student shall engage in any activity that involves attempting to receive a grade by means other than honest effort, for example:

1. No student shall complete, in part or in total, any examination or assessment for another person.
2. No student shall knowingly allow any examination or assessment to be completed, in part or in total, for themselves by another person.
3. No student shall plagiarise or copy the work of another and submit it as their own work.
4. No student shall falsify any data. Falsification is the invention of data, its alteration, its copying from any other source, or otherwise obtaining it by unfair means, or inventing quotations and/or references.
5. No student shall use aids or devices excluded by the lecturer in undertaking course work or assessments/ examinations.

¹ For students in Tallaght, the relevant regulations are available at: [Marks & Standards](#); [Student Regulations - Tallaght](#); [Examinations Information](#)

6. No student shall knowingly procure, provide, or accept any materials that contain questions or answers to any examination or assessment to be given at a subsequent time.
7. No student shall provide their assignments, in part or in total, to any other student in current or future classes of this module/ programme unless authorised to do so by the lecturer.
8. No student shall submit substantially the same material in more than one module/programme without prior authorization.
9. No student shall alter graded assignments or examinations and then resubmit them for regrading, unless specifically authorised to do so by the lecturer.
10. All programming code and documentation, unless correctly referenced, submitted for assessment or existing in the student's computer accounts must be the students' original work or material specifically authorized by the lecturer.
11. Collaborating with other students to develop, complete or correct course work is limited to activities explicitly authorized by the lecturer.
12. For all group assignments, each member of the group is responsible for the academic integrity of the entire submission. Consequently, all group members must satisfy themselves that all elements of their submission adhere to the academic integrity statement points above.
13. In accordance with current regulations, TU Dublin may invite any student to discuss their coursework or required assessment. This is intended to support students and to ensure that academic standards and academic integrity are maintained.
