Hi everyone,
Welcome to IT Tallaght, I hope you are enjoying your summer off and you are all ready for a busy but exciting year.

My name is Amy Keatinge and I am your Student Union President for the coming year. I have just completed my Honours Marketing Management Degree and I am really excited to be representing the students of IT Tallaght on a local and national scale this year.

My team and I have been planning events for the year all summer. We look forward to working with you this year and taking on all your ideas and working together to improve the student experience in IT Tallaght.

Enjoy the rest of summer and be sure to call in to us in the students union, whether it's for a game of pool, to play on the PlayStations or just for a cup of tea and a chat.

Hi everyone!
My name is Lee Bennett and I'm the Vice President for Education in your Student Union. I've recently completed my four-year degree in Business Marketing Management.
My role in the SU is to represent the ITT students, specifically on an academic basis. As an Education Officer you can come to me about queries such as the Susi grant, course problems, the bookshop, exams and even general questions about your student experience. I will be working closely with your class reps to understand any problems you are facing in your course and try my best to solve any issues. I will be running education campaigns throughout the year so keep a look out! Amy, Megan and myself have exciting plans for the upcoming year and are looking forward to meeting you all in September. My office is over in the Student Union building so whenever you need to chat just pop in.
