

BACHELOR OF SCIENCE IN PHARMACEUTICAL TECHNOLOGY

(NFQ LEVEL 7)

TA_SPHAR_D

2 years part time

Who is this course for?

This programme is a follow-on to the Higher Certificate in Science – GMP & Technology. It aims to educate production, technical-grade and supervisory/managerial staff in fundamental and applied aspects of Good Manufacturing Practice, relevant core science and production management. It also allows some specialisation in finished dosage, or active pharmaceutical ingredient or biotechnology production.

This programme will run over three semesters part-time. Candidates must take all modules on offer in each semester.

Entry Requirements

The minimum entry requirement is a Pass Award in the Higher Certificate in Science - GMP & Technology programme or its equivalent. Candidates must be working in a relevant industry.

All applicants must have competence in spoken and written English.

Course Timetable

The course runs 2 evenings a week over 3 semesters

Who can apply

This course is open to all eligible students

Course Summary

The Students will study a wide range of subjects including the following:
