

## CERTIFICATE IN GMP AND MEDICAL DEVICE MANUFACTURE (MINOR AWARD)

### (NFQ LEVEL 6)

### TA\_SMAGM\_C

1 Semester

#### Who is this course for?

The Medical devices industry is undergoing major changes globally as many new products enter the FDA approval pipeline. The move is for more high cost products to come to be manufactured in Ireland and there is also a move towards more combined products where medical devices are now being classified not just as medical devices but also as medicines

#### Entry Requirements

Under 23 applicants must have ordinary level Grade 06 or better in five subjects. The subject list must include either English or Irish. Ordinary level Mathematics Grade 06 or better is also a requirement to apply for year one of this course.

Mature Students over (23 years) are eligible. Eligible candidates may be interviewed. All applicants must have competence in spoken and written English.

#### Course Timetable

The course runs 2 evenings a week over 1 semester

#### Who can apply

This course is open to all eligible students.

#### Course Summary

The Students will study techniques in Medical Device Manufacture and best practices in the industry.

#### Course information

##### Semester 1

Learning to Learn at Third Level

Introduction to Medical Device Manufacture

GMP1/Quality Assurance

GMP2/Quality Control

Process Improvement

#### Career Opportunities

Ireland, because of its favourable tax regime for the manufacturing industry, the availability of a highly trained workforce, and its long track record in successfully supporting healthcare manufacturing has gained great economic benefits by continuing to attract many of the top manufacturers to her shores. The requirement for skilled staff is essential and opportunities are arising now.
